

Interventional Watch Lyrics

By: Nilak Hendricks

Chorus:

I hope you listening, we bout to blow your ears,
There's something special that Lord is wanting you to hear,
So turn the bass up, Make my words clear,
Step it up, flip your life, grab a holy spear,
The Lord will intervene; He'll show up on the scene,
To save his people, and also the ones who don't believe,
That's the God we serve, that's the God we praise,
I gotta lift him up, and tell the world about his grace,

Verse 1:

Watch as my God shows up,
He's so miraculous,
In the schools, in the streets, in the heat,
He showers grace on all he loves,
Just take a look at me, my life was history,
But I turned to his Word, and now I'm something different you see,
How could I put it straight, I'm hoping you'll relate,
That the cleansing of your soul was Intervention, not some fate,
A lot of people think, that my God stinks,
Cuz he put us in a world where sin and lust is the most followed thing,

Chorus: 2x

I hope you listening, we bout to blow your ears,
There's something special that Lord is wanting you to hear,
So turn the bass up, Make my words clear,
Step it up, flip your life, grab a holy spear,
The Lord will intervene; He'll show up on the scene,
To save his people, and also the ones who don't believe,
That's the God we serve, that's the God we praise,
I gotta lift him up, and tell the world about his grace,

Verse 2:

I know this might be weird; I know it might sound strange,
But you need to see that God is wanting you to change,
Cuz see he's felt your hurt, and he's felt your pain,
Matter fact he gave his life so you could have a name,

Our God is a God of love, He's also a God of grace,
He took his life for ours, so now we can see his face,
So when we pray to him, we confess all our sins,
Than we repent, ask for his spirit, born again,

Chorus: 2x

I hope you listening, we bout to blow your ears,
There's something special that Lord is wanting you to hear,
So turn the bass up, Make my words clear,
Step it up, flip your life, grab a holy spear,
The Lord will intervene; He'll show up on the scene,
