

## Listen to the Raindrops Lyrics

### Hook:

Lightning striking, people dying, way too much pain, I think I'm going insane,  
But I'm still standing, and I'm still planning on how to fix it all, but it don't help none so I listen to the  
raindrops fall,

### Verse 1:

I don't get why I do it,  
Maybe because I'm stupid,  
I'm tired of chasing the women, and I don't blame Cupid,  
This world is wearing away,  
It's dying everyday,  
And I ain't talking 'bout 2012, that ain't scripture, man,  
I'm talking 'bout the rapture, and 'bout the tribulation,  
The real storm starts when Antichrist rules the nations,  
So I watch closely, and I listen through the wall,  
But all I hear is the raindrops; I hear them fall,

### [Hook]

### Verse 2:

I'm tired of playing games,  
I'm tired of hating change,  
Cuz change happens and when it does, you can't complain,  
I mean you can if you want, but you don't wanna do it,  
You supposed to be like a man, you supposed to be dude that,  
Never backs down, until your time is done,  
But sometimes you don't wanna be the leading one,  
Sometimes you just wanna sit, and relax in the sun,  
But now the sun's gone, and the storm has come,  
This is when the Lord Jesus calls us to be men,  
To be the Shepard of the sheep, and to enemies, friends,  
I know the journey might be hard, but I'll warn you again,  
To be a radical is to be a servant of Him,

### [Hook]

### Verse 3:

The raindrops keep falling on my head like a hammer,  
Each drop slicing through my heart, no armor,  
My flesh tells me it's just life, don't ponder,  
The thought of a God that loves me through this drama,  
I'll be honest, the times are getting hard to shake off,  
Each blow feels like a tiger's sharp claws,  
Wrapping around my neck, blood out my jaw,  
And it's not a movie, so I can't push pause,  
I hear Satan laughing, it don't help my pain,

I'm wrestling with demons, they're driving me insane,  
The battle's like a picture, I gotta break the frame,  
I gotta find the strength, and I gotta maintain,  
I gotta maintain my composure,  
The shame digs through soul like a bulldozer,  
I'm sorry I couldn't lie and say I'm cool,  
Cuz honestly I'm struggling, and man that's the truth, I'm out
