

No Way Out Lyrics

Verse 1:

NO WAY OUT! The devil's got me trapped,
It's still War Season, I just can't attack,
I wanna go back, but the Lord says no,
My flesh says to do it, I don't know where to go,
I'm going to-and-fro, I'm gonna fail the test,
I usually get A's, but I'm bout to get a F,
I used to be the best, but now I can't boast,
All the sin inside, got me feeling like toast,
Oh why did you choose me to carry out your plan,
In your presence I'm nothing, a parasite in your hand,
I'm nothing but a man, my glory is for you,
I'm just a pawn, brother, you control what I do,
I'm stuck in a web and the spider's coming soon,
The situation's more intense than this tune,
I'm scared of the shame, it's coming like a train,
What's the point of fame when it's the end of the game,
There's no way out!

Hook: 2x

I can't do this Lord,
I know 'bout your gifts, and I know 'bout the sword,
And Lord God I'm using it, taking it home,
But never knew that the fight would last so long,
There's no way out,

Verse 2:

I'm caged up and slowly, I'm dying,
Sin's got me tempted and there's no denying,
If I told you I'm fine, then I'd be lying,
Cuz my heart's torn in two, and I keep crying,
Maybe I should quit, maybe I could take the easy way,
Maybe I could do it quick, and try again another day,
But what then happens to all of my spiritual maturity,
Did I really go hard, or was I just imagining,
All these thoughts going through my head like a memory,
Bending my thoughts on how to take care of this enemy,
Trying to separate between my own and Satan tempting me,
Oh my God, please help, and please give me a remedy,
My mind gets an image, and I see a door opening,
Light comes from it, and it feels like purity,
I get up and stand in the face of the sin,
Never again will I trust it again, I'll never trust you again,

Hook: 2x

I'm doing this Lord,
Cuz I know that you prepared good things in store,
Clear skies are coming, I know that it's true,
So now I'm gonna fight it, I know what to do,
I'm taking it out!
